ELECTRIC SPIN SCRUBBER

MOTOR SPEED

300 • 400 • 500 RPM

ADJUSTABLE LENGTH

17.5" - 44.6"

ADJUSTABLE ANGLE

90° • 125° • 155° • 180°

Model: EF-SCB-01

Please read this manual carefully before using.

HOW TO USE

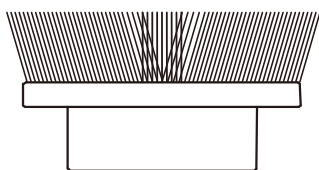

1. **Power On:** Press and hold the power button until the green light turns on. The scrubber will start at the slowest speed and the green indicator light will turn on.
2. **Change Speed:** Press the power button again to switch between different speeds.
3. **Turn on the Light:** At the highest speed, press the button once more to turn on the built-in light.
4. **Turn off:** To power off, press and hold the power button again.
5. **Low Battery:** If the speed noticeably slows down during use, this indicates low battery. You can also check the battery level on the display pane. Charge the device promptly.
6. **Charging:** The device cannot be used while charging. Please unplug the power cord before use.

PRODUCT PARAMETERS

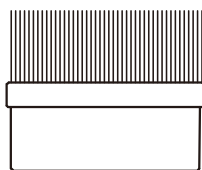

1. **Material:** ABS
2. **Battery capacity:** 4000 mAh (removable and replaceable battery)
3. **Output power:** 45W
4. **Working voltage:** 7.4V
5. **Output current:** 0.3-5.5A
6. **Product speed:** 300, 400, 500 rpm (three speed digital display)
7. **Gear torque:** 28kg, 33kg, 35kg
8. **Rotation angle:** 90°, 120°, 150°, 180°
9. **Charging time:** approximately 3 hours
10. **Usage time:** 160 minutes (idle in slow mode)
11. **Charging voltage:** 5V/2A
12. **Product length:** 45cm, 90cm, 113cm
13. **Net weight of product:** 565g
14. **Product gross weight:** 1.4g (including packaging accessories, etc.)

BRUSH HEAD INSTALLATION AND REPLACEMENT

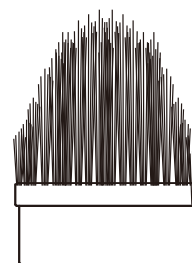

1. **Choose the Right Cleaning Tool:** Select the appropriate brush head or pad based on your cleaning needs. Ensure that the cleaning tool is securely installed before use.
2. **Install the Cleaning Tool:** Align the head's slot with the device's rotating shaft, then press it firmly until it clicks in the place.
3. **Replace the Cleaning Tool:** To replace, gently pull off the current heads and insert the new one by following the same align process.

PRODUCT INTRODUCTION

PRECAUTIONS

1. **Use the Correct Charger:** Only use the included USB charging cable. It can be connected to a phone charger (certified to GB4706.1 standards, 5V output), power bank, car USB port, or computer USB port.
2. **Supervise Children:** This product is not a toy. Children should only use it under adult supervision.
3. **Cleaning the Device:** Unplug the USB cable before cleaning. Use a damp soft cloth and a non-corrosive cleaner to wipe the product.
4. **Damaged Product:** If the product is damaged, stop using it immediately to avoid potential harm.
5. **No DIY Repairs:** Do not attempt to disassemble or repair the product yourself.
6. **Use the Right Cleaning Tool:** Select the appropriate brush head or pad for different cleaning tasks to avoid damaging surfaces.
7. **After Use:** Remove the brush head once the machine has fully stopped rotating.
8. **Avoid Excessive Pressure:** Do not press down hard on the brush head during use, as this may cause it to stop spinning.
9. **Clean After Use:** Rinse the brush head with water after each use to remove any stains or residue.
10. **Do Not Submerge:** Avoid immersing the device in water or other liquids.
11. **Avoid Hazardous Environments:** Do not use the product near flammable or explosive materials.
12. **Handle the Battery with Care:** The product contains a lithium battery. Do not attempt to open the casing, as this could cause battery damage or other dangers.
13. **Charging Safety:** Do not charge the product in a humid environment.
14. **Do Not Burn:** Do not burn the lithium battery or the product, as it may cause an explosion.
